OBJECTIVE

I am a graduate with a strong background in Surveying and Geoinformatics Engineering. I seek a competitive environment where I can use my problem-solving skills to help achieve the desired goals. My hope is to get knowledge and experience in order to benefit myself on the long term.

EDUCATION

2019 University of Lagos, Lagos Nigeria.

Bachelor Of Science [Surveying and Geoinformatics Engineering]

- Awarded [First Class Hons].
- Member of Nigerian Institution of Surveying & Geoinformatics Student, (NISGS).

2013 Grace High School, Gbagada, Lagos Nigeria.

West African Examination Council.

2007 AuntyAdunni Memorial day Montessori School, Lagos Nigeria.

First Leaving School Certificate.

ACADEMIC THESIS

ANIFOWOSHE O.E. (2019) Groundwater Potential Zone Mapping Of Oyo State (Akinyele Laniba Lga) Nigeria, Using Geospatial Multicriterial Analysis and Hydrogeophysics.

EXPERIENCE

Sep 2020 – Date **Pisces Offshore Nig. Limited**

(Lagos, Nigeria)

Designation : *Graduate Intern*

- Carried out calibration of offshore survey equipment.
- Managed Multibeam Data processing and Quality control for Geophysical Surveys.

- Processing of Bathymetry Data onshore.
- Processing of Geophysical Data onshore.
- Processing of Magnetometer Data onshore.
- Participated in survey project planning.
- Prepared Draft Survey Field Reports.
- Participated in onshore data processing, interpretation and reporting.
- Organized and prioritized work to complete assignments in a timely, efficient manner.

Jan – Aug 2020 **Hirst Resources Limited** **(Lagos, Nigeria)**

Designation : *Graduate intern & Geomatics Engineer*

- Mapped out areas for installation of street lights and solar farms.
- Worked with the team to collect survey and positioning data on sites.
- Produced maps and site reports.
- Worked well independently and on a team to solve problems
- Worked closely with team members to deliver project requirements, develop solutions and meet deadlines.

June – Dec 2018 **Pisces Offshore Nig. Limited** **(Lagos, Nigeria)**

Designation : *Undergraduate Intern*

- Demonstrated advanced skills in operating some offshore equipment.
- Acquired the requisite knowledge needed in mobilizing offshore survey equipment for survey projects.
- In charge of Health and Safety for the offshore mobilization team.
- Routine maintenance and operation of survey equipment.
- Project mobilization and equipment's set-up on vessel for operation.

SKILLS/INTERESTS

- Fast learner and independent with strong leadership skills.
- Critical thinking skills.
- Problem-solving and project management skills.
- Communication and presentation skills.
- Teamwork collaboration.
- Proficient in Microsoft Office packages.

MAJOR SOFTWARE USED

- AutoCAD.
- ENVI.
- MATLAB.
- HYPACK (Bathymetry Data Processing).
- MagPick (Magnetometer Data Processing).
- Mapping and 3D Modelling with ArcGIS and ArcScene.

POSITIONS HELD

- 2019** General Secretary, Nigerian Institution of Surveying and Geoinformatics Students (NISGS), Unilag Students Chapter.
- 2017** Welfare Secretary, Nigerian Institution of Surveying and Geoinformatics Students (NISGS), Unilag Students Chapter.
- 2013** Deputy Head Girl & Hostel Prefect, Grace High School.
- 2007** Head Girl, AuntyAdunni Memorial day Montessori School, Lagos Nigeria.

CERTIFICATIONS

- Chevron Nigeria Oil and Gas Exploration workshop which held at the University of Lagos August, 2018.
- VMWARE workshop training on cloud computing, 21st – 25th September, 2019.

REFEREES

Available upon request.
